

### REMARKS

Applicant respectfully request reexamination and reconsideration of the application in view of the amendments and following remarks.

This amendment is a response to the Notice of Non-Compliant Amendment office action mailed on August 4, 2010 indicating that claims 10 and 11 lack status identifiers.

Status identifiers have been added for the claims 10 and 11.

No other revisions have been made to the claims which are set forth in identical format as in Amendment A except for the addition of the status identifiers to claims 10 and 11.

The claims contain no other new matter.

For all of the foregoing reasons, Applicant submits that the claims are patentable over the cited references and that the application is in condition for allowance. Accordingly, Applicant respectfully requests prompt reconsideration and receipt of the formal Notice of Allowance.

If the Examiner believes there are other unresolved issues in this case, Applicant's attorney would appreciate a telephone call at (502) 452-1233 to discuss any such remaining issues.

Respectfully submitted,
